

2nd October 2009 Newsletter

Hello Everyone,

There has been soo much going on since our last newsletter. The good news is that, after several false starts, we can now confirm that Hampton Downs will be part of the event - we will be the first major motorsport event to use the track. A special thankyou to Tony Roberts who has moved mountains to make this happen.

Entries are now officially closed and this weekend the final proof reading of the programme is being completed. If you still have not got your car photos to Mandy you have until Monday night to do so otherwise it will not be there.

Manukau City and their "Full Throttle" weekend is coming together nicely and there is still some room for more car displays, so take advantage of this opportunity to promote your car club and contact Ru at the office or eventmanager@targa.co.nz

We are very proud to announce the start of a new relationship with VTNZ, they have come onboard to help promote the safety message and as such are now sponsoring the Targa Safety Vehicles. The graphic design of these vehicles looks awesome and are sure to catch the eye.

That's all for now
Peter and the Targa Team.
