

15th October 2010 Newsletter

Hi All

Farewell Adrian Mason aka SINART

Adrian's funeral will be on Wednesday 20th October 12.30pm at Finney's Funeral Home, 34 Nunamina Ave, Kings Meadows, Launceston, Tasmania. The contact address for any condolences is via his niece, Annette Richards, 203 Peel St, Summerhill, Launceston, Tasmania. She has asked for no flowers please. Mike and Sue John will be attending and will be taking our condolences with them. If you would like to say a few words, we can pass them on, please reply to this email.

Dunlop Targa

Just a couple of quick notes as we close in on the 2010 Dunlop Targa. Planning is done and actioning it is well underway. Keith has been around the entire course over the last three weeks dropping of road closure signs and making sure all the marshal groups are up to speed and ready to go on the day.

So that leaves us the fine tuning and making sure the media arrangement are sorted. The Rock FM has started the pre-event marketing and they will be doing daily crossovers from a variety of locations throughout the week. They will be highly visible in their distinctive Black Utes giving away freebies so make sure you pay them a visit. Shaun Summerfield will be with us all week catching the action for the daily TV3 news. He will be joined by all the regulars, like Paul Mullan and his crew from Black Magic Media, who will also be doing the daily webstreaming from our newly created Britz Media Centre Campervan located at the start of day, lunch and end of day. Ground-Sky Photography will be out in force in stage as well as the service parks this year, Ashley Webb from NZ Classic Car Magazine will be traveling with Alan Henderson capturing all the gossip from competitors and of course we have Jamie McCarthy as our MC keeping everyone informed of whats going on with results and other interesting news via the PA system.

We will also be live streaming the Prizegiving Breakfast onto our website this year, so make sure you tell all your family and any friends who can't get to Wellington to logon to www.targa.co.nz on Sunday morning 31st October from 9.00am to see you collect your prizes.

Functions

We have had a great response and are still getting the forms returned. Fortunately we have managed to upgrade the facilities to allow us to cater for more people. There is still time to enjoy this part of the Targa experience, so get your function orders into Mandy by fax, phone or email over the weekend.

Merchandize

Make something special for you and your crews to remember the 2010 Dunlop Targa. Vicki has just updated the website with all the new look apparel and there is now the ability for you to personalize it to your team, thanks to Graham Browne from Apex Apparel who is our Official Supplier. Graham will be joining the Targa Tour in his Renault Megane R26. He is based in Papakura and prides himself on delivery, so go to the Targa

website www.targa.co.nz and let's put him to the test.

Fuel Truck.

As you are aware this year we have the Team from Motorsport Services Limited providing 98 Octane Fuel during the week. Most of you will know how hard it is to get 98 Octane in and around the Taranaki region, so they have created a spread sheet of their locations during the event which is attached to this email. IF YOU WANT TO USE THIS FACILITY please download the attachment, complete the form then email it to dave@motorsport-services.com this is the only way they can be sure they will have enough fuel at the required locations for you. If you are unable to return it my email then you can fax it to Mandy at the Targa office 09 2988266 and she will pass it on.

Second Service Crew Registration.

If you are running a second service crew then they need to be registered. This is the only way you will get another Service Book as the are printed according to the numbers required. Don't come asking on the day as you will be disappointed with the answer. Just in case you wondered each competition entry includes ONE Service Book only. All the Route Books and Service Books are currently being printed so don't miss out. Call or email Mandy at the office and get them registered. Speaking of service crews you will note that we have allowed more time at Kaimata School for breakfast on Wednesday, so they will be able to join in and still get into Whangamomona before road closure. To repeat, there will be no opportunity to enter after road closure which starts from 10.00am.

Seeding List

The seeding list is up on the website, please check it and send an email me with just your car number and positional change to peter@targa.co.nz no long stories required, there are already some changes to be made and we will effect them on Monday night.

That's all for now,
Peter and the Targa Team.
