

Hi All,

Yes, another couple of weeks have gone by since my last newsletter. The rain has returned, the grass is growing but most importantly time is marching on so get your entry in for the 15th Anniversary Dunlop Targa. We have posted the entry list online under the competitor information page, just click on the red "Dunlop Targa" and you will also find the supplementary regulations. Alternatively, click here [Competitor Information](#).

The competitor information packs are almost ready to go and we have now finalized the Functions Form, so watch out for these in the post.

We are still looking for quality volunteers and we thank everyone who has offered their help since our last request, so please keep it coming as there are lots of interesting tasks available and this is a great way to be involved with New Zealand's biggest Motorsport Event.

We had a quick visit to Wellington last week for a couple of Council meetings to deal with objectors of our event and it was great to see the silent majority come to the party and attend these meetings. It made the difference and both the Upper Hutt City Council and Wellington City Council have approved the road closures. This process is very time consuming and we are off to New Plymouth on Tuesday for another council meeting, which should be the last.

Mike Matheson of ProCam Onboard Solutions Ltd has a number of in-car cameras available in high definition. This is the best way to get exposure for you and your sponsors and he has a number of options from outright purchase to full service hire agreements. He has been contracted by Black Magic Television so you are guaranteed to get some TV coverage if you have an in-car camera. Mike can be contacted by email procam@ihug.co.nz or mobile phone 021-513460.

We have been putting the final touches together for the start at the Telstra Pacifica Center in Manukau and the show will be based around the center all weekend. This is going to be part of the Full Throttle weekend again and this year there are more fun activities for the whole family so make sure you bring your supporters along.

Remember the last of the discount pricing structure finishes on Monday 31st August 2009 so get your entry in now!!!!

Regards

Peter and the Targa team.
