Targa Website

Have you check out the website lately? If not go have a look www.targa.co.nz and let us know what you think. The website is a great tools, if it is used properly, for keeping everyone informed about what is going on. If you have any comments about our website, or if you are willing to assist with keeping it up to date, then please email peter@targa.co.nz.

Targa Rotorua

The current entry list has just been put up on the website, so check it out and if you are not on the list then get your entry in now and we will get you into the Classic Car Program. We know times are tough, but we need your support to keep the Targa moving forward, evolving and being the adventure it is known for.

The Rock FM/ Radio Live/ Radio Sport

Have you heard the current promotion for Targa Rotorua on any of these stations yet? If not, change your radio station and start supporting those who are supporting us. Are you up for the challenge? The Rock FM has come on board as our Official Radio Station, but they are part of the Media Works Group which covers a lot of other stations as well. So the Targa content will be on the Rock FM, but there will also be some promotion across their sister stations from time to time.

Sponsors

Again we can not stress how important it is to support our sponsors, particularly now in the current climate, so think before you make your next purchase and please use their products or services when you can. We are so lucky to have a great group of sponsors who contribute immensely to Targa NZ, not only with financial support, but the ever evolving technology and ideas to help improve the overall Targa NZ experience

Dunlop Targa

Keith, Ru and I are off tomorrow to do the course check for the rest of the week, so Mandy and Vicki will be running the office. This is a good time to get a straight answer from the Targa office for a change as they know what's going on. Just remember that the office hours are from 9.00am till 3.00pm, so leave a message and they will get back to you.

That's all for now.

Peter and the Targa Team.
