

# **DUNLOP Targa NZ**

23rd October Final Competitor Information.

Hi Everyone,

Just to make your lives a little easier when you arrive at Telstra Pacifica you need to enter from Gate 5. This is located at the south end car park behind the group of shops where we have previously started the event. The entry is from the intersection of Great South Road and Kerrs Road. We will be using the southern car park for servicing as the northern end car park is set up as a race track for the entire weekend. If in doubt follow the instructions of the marshals, they are trained professionals and know what to do, the alternative is check out the attached map.

See you all on Monday.  
Peter and the Targa Team.
