

24th September 2010 Newsletter

Hello Everyone,

Dunlop Targa 2010

As we close in on the final days there seems to be more than a few things going on at the same time. As we push for the last few to confirm their entries we are still waiting for others to return their function forms, let alone the photo's for the program. We need to get all of this into the office by Monday 27th, so get it done over the weekend. Speaking of functions, we have reduced the number this year in an attempt to get more of you to each one. We have also listen to you and tried to create the atmosphere you want so here is a breakdown of each **function** in a little more detail.

Labour Monday 25th – "Calm before the Storm"

This is a low-key gathering at the end of prologue day where competitors, their service and support crews can socialize with each other and the rest of the field. As you all know, opportunities for such activity throughout the week are limited and so this is a nice way to start the event.

Time – 5pm – 7.30pm

Location – Targa Marquee, just by Telstra Arena

Food – Gourmet Burgers and Pizza plus salads

Alcohol – Beer & Wine

Entertainment – Prologue video footage

Wednesday 27th – "Kaimata School Breakfast"

This is a relaxing breakfast that was very well received last year by everyone who attended.

Awesome food, the Taranaki know how to feed us and we had a lot of complaints from teams that their service crews missed out. So this year we have made the stop longer to allow you time to enjoy breakfast with your service crews and still give them time to get into Whangamomona before road closure. Make sure you support this school as they have been supporting Targa with marshal groups since we started going to Taranaki.

Wednesday 27th – "Mayoral Dinner"

This is at the Devon Hotel, owned by Peter Tennant the current Mayor of New Plymouth, hence the Mayoral Dinner. We are planning a guest speaker as well as the normal groundsky photo gallery to give you something to laugh at so it should be a great night.

Time – From 7.30pm

Location – Devon Hotel

Food – Buffet

Alcohol – Beer & Wine & Spirits

Entertainment – GroundSky footage

Sunday 31st – "Prizegiving"

This is self explanatory, a time to get rewarded for your hard work and find out who won what, make sure you are there and bring your support crew, without them you might not have got to the end.

Time – From 9.00am

Location – Town Hall

Have a great weekend
Peter and the Targa Team

PS. The function form can be downloaded from the NEW website www.targa.co.nz scroll down to 2010 Dunlop Targa.
