

3rd May 2011 Newsletter

Hello Everyone,

## **TrackIt**

A quick update regarding the TrackIt Race System- Due to popular demand for the concept, TrackIt NZ have agreed to wear one of the months Data charges, so you will now only need to purchase a minimum of one month of Data. Thanks TrackIt!

Also thanks to all of you who have already ordered your system, for everyone else can you please make sure you don't leave it too late as they need enough time to get the unit to you for installation and testing. Phone 09 5224300 or visit [www.trackit.co.nz](http://www.trackit.co.nz)

Here are some answers to the Frequently Asked Questions.

This system has been developed and tested for two years here in New Zealand and it is also being considered by other Event Organizers.

They are very well priced compared to other units we have looked at and have far more features that suit our event.

These unit replace the previous TVD system that we had been using

No Targa NZ is not making any money from the sales of these units.

No they are not just for fast cars that can reach 200kph, they are to track everyone during the event in accordance with our permit requirements issued by MotorSport NZ.

Yes the system has been tested and coverage for Rotorua is 100%.

Yes we are in discussions with Vodafone about better coverage solutions for October.

Enough said for now.

## **Targa Rotorua**

Now less than a month away, please get those last entries in this week, we are currently sitting close to 90 for the competition and 15 in the tour. Cut off for competition entries is 100, so don't be disappointed. Sup Reg's will be online by the end of this week and we will get the Seeding or Starting Order up online this weekend for you to review. Same as usual, if you wish to move please email or call the office with your car number and the position you would like to move to, no stories just numbers.

Keith is off doing the marshall training, dropping off the Tape, Road Signage, High Vis Jackets and other assorted information to the various community groups, a total of 25 different groups for this event.

Dennis and I are off doing the final checking run this Friday.

That's all for now, see you in a couple of weeks.

Peter and the Targa Team.
