

8 February 2011

Information Update

This Thursday evening, 10th February 2011, there is an informal get together for Auckland Rally supporters of Hayden Paddon. Hayden is New Zealand's rising rally star and this is a great opportunity to meet him and show him your support. For more information please click [here](#).

The next piece of useful information is the special Targa shipping rates we have secured for vehicles crossing the Cook Strait with Interislander. This has been formalised after the last couple of years given the increase in numbers. Please click [here](#) to take advantage of these special rates.

And finally there is the opportunity to display your Targa vehicle at a Massive Static Vehicle Extravaganza on 8th May 2011 at Pukekohe Park Raceway. We have been invited to put on a Targa vehicle display by the Pukekohe Lions Club who are hosting this event as an annual fundraiser. Numbers are limited, if you're interested in attending please contact Mandy in the office. The event will conclude with a giant drive by involving all vehicles that were on display. Come and show off your vehicles and give your sponsors some coverage.

Regards

Team Targa
