

CURE KIDS FUNDRAISING

This year Vicki and I are thrilled to announce that Cure Kids is once again the charity for the Dunlop Targa 2010.

Dunlop Targa has been involved with Cure Kids since 2002 and through the generosity of people involved in this event, we have raised over \$390,000 for research into children's life-threatening illnesses.

Cure Kids Ambassador, Cherokee Sagisagi's story and the research that Cure Kids is funding to help children like Cherokee, reminds us why we continue to support this Kiwi charity.

Cherokee lives with an inoperable brain tumour. Despite being set back with a stroke on Christmas Day 2009, Cherokee continues to battle this life-threatening illness. Cherokee's family say thank you to Cure Kids and to all the Dunlop Targa drivers for giving their family HOPE...hope that other children don't have to go through the pain and suffering that Cherokee has.

Cure Kids is behind a study currently being undertaken at The Mallaghan Institute in Wellington which is working towards a VACCINE for brain tumours. Isn't that amazing to be a part of! A vaccine for this will be a treatment worldwide for children and quite interestingly, for adults as well.

For other stories like Cherokee's visit www.curekids.org.nz

This year we would like to raise money for Cure Kids, as in previous years, through the purchase of stickers and Cure Kids FundraiseOnline.com

This year we will bring back stickers of different colours and different values (\$50.00, \$100.00, \$250.00 and \$500.00). The stickers will be available at documentation.

Cure Kids FundraiseOnline costs you absolutely nothing, just a couple of minutes to set up your personal page online. Then send the link to all your family, friends and colleagues asking them to support you. It's a great way to let everyone know what you are up to. There is space for photos of yourself, your team and your car – not necessarily in that order!

To see how you can be involved phone Carolyn Hobson at Cure Kids (09) 370 0286 or 0274 224 5772. In return, a special Cure Kids sticker will be made for every team who raises over \$1000 acknowledging the amount you have raised. This sticker can be displayed on your vehicle for the entire event.

Thanks for your support and I hope you will all get behind this very worthwhile organization that has been part of Dunlop Targa for many years.

Peter Martin
