Breaking News

Hampton Downs is confirmed as part of the 15th Anniversary Dunlop Targa.

Yes that is right we will be the first Motorsport Event to run on the newly formed Hampton Downs circuit, but thats not all.

We have just negotiated a special Targa price for entry into the Manukau City Flying 50 street race on Saturday 24th October.

The numbers are limited and acceptance is on review of your application.

Preference has been given to you as a participant in the 15th Anniversary Dunlop Targa Event and as such entry fee is at the reduced rate of \$250.00.

You will be joining the Drive NZ Classic and special interest vehicles on a flowing circuit around the streets of Manukau City in front of an expected crowd of over 15,000 people as well as the television cameras and onsite commentators.

This is a great opportunity to show off your skills to an adoring crowd. Tyres are free, provided they are road legal, so you can use some of your old Targa tyres. This is the day before prologue so if you are in Auckland and are ready to go then get involved with this spectacle, it will be a lot of fun.

To enter or obtain more information please visit www.drivenzclassic.com or email roger@drivenzclassic.com or phone 021 512568.

Entries will close next friday on 9th October 2009.

Regards

Peter and the Targa Team.
