

Newsletter 24th April 2009

Targa Website

Welcome to the new website, that's right we released it on Wednesday, check it out on www.targa.co.nz. If you have any comments or suggestions then please let us know by return email or call the office and speak to Mandy. A big thank you goes to Vicki and Jeffrey who helped Frank, from Solutionists, with the development. We think it is a big improvement on the previous site and our focus was on making it easy to use, but as they say "the proof is in the pudding", so make sure you have a go.

Targa Tasmania

I fly out on Sunday to have a good look around and see how the event is managed. I will also catch up with Adrian aka SINART, his surgery went well but they have found a few other areas of concern so he is still undergoing a series of tests. I will give you more details on my return.

Speedmachine

This Sunday 26th April on Prime TV from 2.30 to 3.30, there is a feature on the Targa NZ office and interview about the new direction and upcoming events. It will give you an insight to our thinking and the changes we have made behind the scenes. We hope you enjoy it.

Targa Bambina

Targa Bambina will be going to air on TV One on 10th May, so make sure you put it in your diary so you don't miss it. This is the first showing and we will give you the dates for Targa Rotorua and Dunlop Targa closer to the time they are due to air.

Targa Rotorua

Planning is almost finished, the modifications to the supplementary regs are with MSNZ and should be approved on Monday and we will have them up on the website as soon as we hear back from them. We are working on the poster now trying to choose suitable cars from the entry list, to get on the poster you must have entered. For those of you who have not entered yet, try it online and see how easy it is.

Thanks for reading

Regards

Peter and the Targa NZ Team.
