15th Dunlop Targa on TV 1

Remember to book the best seat in front of the telly this **Sunday 29th November** as we showcase the first few days of this years Dunlop Targa Event.

This is on the **Powerbuilt Tools Motorsport** show and set for screening around **4.30pm**, subject to change as the show is presented live. If you are not able to watch it then get the recorder set up early. The second half of the show will go to air on Sunday 6th December.

Cure Kids Auction

As we did not run the annual auction during the event, Cure Kids will be putting the items up for auction through TradeMe in the next few days. Once they are up and running we will send out the links for you to bid on, so watch out for this and make sure you get in and support them. The items could make great Christmas presents either for yourself or perhaps a very special person.

Targa Bambina March 2010

Dennis and I have been out scouting new roads around the South Auckland/ North Waikato regions and found a couple of great stages that are sure to impress you, so get your entries in now before Mandy goes on holiday and won't be here to help you. If you need a new password then give her a call at the office or just reply to this email.

Targa Cars for Sale

We have cleaned them up and they are ready for a new home. Three Mondeo Auto S/W and one Focus 2.0 Zetec Manual Hatch, for more details call Peter at the office or on mobile 0274 525643. They will be put up on Trade Me next week, so if you are interested get in touch before then, they are very good value.

Have a great weekend.

Regards

Peter and the Targa Team.
