

20 November Update

Breaking News

As a follow up to the recent newsletter, we would like to extend an invitation to participate at **Hampton Downs on the 7th December.**

Playdays on Track are running another wonderful day at the best track currently in New Zealand, Hampton Downs.

Gary and Tony run a fun day that gives you plenty of laps for very little money. We have taken the three orange BMW's along for the last couple of outings and given people the opportunity to do five laps behind the wheel for \$50 if you have registered your own vehicle or \$80 if not. We will have them available at the track on the day so if you are interested give me a call on 0274 525643 or email peter@targa.co.nz .

Playday Entries are limited to 60 vehicles on a first paid basis so check out their website www.playdayontrack.co.nz for details and pricing and get yourself along. If you have a roll caged car you can take passengers ie sponsors or friends for a ride, if not then use one of ours, but whatever car you have get along and have a go because it will never be cheaper to do so many laps at this great new track.

Look forward to seeing you there.
