NOTES ON COMPETITION LICENCE APPLICATION FORM

1. All applications must be signed and accompanied by the appropriate fees.
2. **Club Membership** - All applicants must be a member of a MotorSport New Zealand Member Car Club. If you require a list of MotorSport New Zealand Member Car Clubs please contact the MotorSport New Zealand Office or refer to the website (www.motorsport.org.nz).
3. **Date of Birth (to be used as identification)** - All applicants who are under the age of 18 years at the time of first application must ensure the MotorSport New Zealand Inc **A001A Under Age Competitor Indemnity Declaration** is completed and signed by a parent or legal guardian. Copies of the Indemnity Declaration Form are available from the MotorSport Office, MotorSport New Zealand Website or your club. For competitors between 12-15 years of age refer to the MotorSport Manual, Appendix 1 Schedule L (art 4.2) for specific criteria.
4. **Citizenship** - Applicants born overseas are required by the FIA to obtain a clearance from the Motorsport authority of their country of origin. This clearance is required regardless of whether or not the applicant has previously competed in any form of motor sports. All Non-New Zealand Citizens are required to accompany this application with proof of New Zealand permanent residency. Please contact the MotorSport NZ Office for details of supporting documentation required.
5. **Expiry of Licence:**
National and ClubSport Grades:
(a) New Applications: Licence is issued for 12 months from date of issue.
(b) Renewals: Licence is renewed for 12 months from expiry month of last held licence.
If you are applying for a renewal more than 6 months after your licence has expired, it will be renewed for 12 months from the date of renewal.
International: All International Grade Licences expire on 31 December each year.
6. **Priority Fee:** For less than the three to five day standard turn around service - 50% of relevant licence fee in addition to licence fee. This extra fee will cover courier costs, please ensure you supply a physical address for courier delivery.
7. **Upgrade Fee:** When upgrading to a higher licence grade, if you hold a current MotorSport New Zealand licence already, you are required to pay the difference between the two licence fees (ie. Fee for new licence grade less fee paid for current licence = upgrade fee).

The expiry date of the upgraded licence remains unchanged so if the licence you hold has expired, you are required to pay the total fee.

NOTE: Drivers wanting to obtain a Super Licence Extension please refer to form A001SL Super Licence Extension Form.
8. **Medical Requirements:**
For National Grades: All competitors must, as a prerequisite to the issue of a National Race or Rally Grade licence, complete form **A003A Medical Aptitude Clearance** and return to MotorSport New Zealand. The fee for this has been incorporated into the licence cost.
For International Grades: All competitors must, as a prerequisite to the use of an International Grade licence, complete form **A003 Medical Examination (International Medical Clearance Card Application)** and return directly to the MotorSport New Zealand Medical Adviser, Dr Bruce Stewart.
9. **Licence Examinations for National Grades:** In order to qualify for a National Race or Rally Grade licence you must first obtain a pass result in the applicable licence examination. Please refer MotorSport Manual, MotorSport New Zealand Administration office or the MotorSport New Zealand Website for a list of Licence Examiners and their contacts.
10. **Photo:** For International grade licences a passport size photo is required. This must be either submitted with your application and will be scanned onto your licence. No extra fee applies. For National or ClubSport grade licences, a photo is optional. An extra fee of \$5 and a passport size photo is required. Digital photos are acceptable, email to Licence@motorsport.org.nz.

Please note that there may be factors relating to the application which may cause some delays in processing time. For new National grade licence applications, the candidate's completed written test form must be included with this application.
