This schedule also references additional schedules that must be complied with as they are applicable to rallies (speed events) being Schedules A, B, I and J</p> <ul style="list-style-type: none"> • A scrutineering inspection check list is detailed under the "Scrutineering- Road Events" section of the CAMS Manual. <p>International Vehicles:</p>

	Must have a current logbook
3.5 Re-settable Odometer	<ul style="list-style-type: none"> • A supplementary re-settable odometer which registers in kilometres and tenths of kilometres; or • A mechanical; or • An electronic (e.g. Monit) distance recorder must be fitted <p>N.B. Distances in the route instructions issued by the organiser will be issued in kilometres to the nearest 0.01 km e.g. 23.75</p>
3.6 Fuel Storage & Handling	<ul style="list-style-type: none"> • A Dangerous Goods Permit or Approved Handler Test Certificate must be obtained if service vehicles are carrying more than 250 litres of fuel at any one time • No fuel storage facility is provided on this event <p>Refer to the Code of Practice for Motorsport Fuel – Storage and Handling http://www.motorsport.org.nz/Pdf/Code%20of%20Practice%20Fuel.pdf</p>
3.7 Oil Leaks/Spillages	<ul style="list-style-type: none"> • Where the Chief Scrutineer requires attention to a vehicle to prevent or eliminate oil leaks or spillage, such repairs must be carried out to his/her satisfaction or, if unavailable, to the satisfaction of the COtC or an ACOtC; and • If the vehicle continues to leak or spill oil, the vehicle may be refused permission to continue the event • A sump guard is highly recommended
3.8 Prohibited Equipment	<p>The following equipment is prohibited and must not be part of any vehicle:</p> <ul style="list-style-type: none"> • Tyre chains and studs. • Fuel containers. The carriage of fuel in competing vehicles in containers that are not part of the piped fuel systems is not permitted. • Mud-flaps that protrude beyond the body of the vehicle and are not fitted to the inner arch • Rally-type light pods. • Turbo anti-lag device. If already fitted it must be immobilised to the satisfaction of the Scrutineer. • Speed radar detection devices are not permitted to be in operational order during the event.
3.9 Penalties	<ul style="list-style-type: none"> • Failure to observe Arts 3.6-3.8 will incur a penalty as specified in Art 8.2.2
3.10 Cameras, Tools, GPS Units and Spare Parts	<ul style="list-style-type: none"> • Must be fitted to the vehicle when presented for Scrutineering • Approval of the Chief Scrutineer must be sought before a camera or other such equipment is fitted during the event • Failure to observe this Article will incur a penalty as specified in Art 8.2.4
3.11 Tarpaulins and Absorbent Material	<ul style="list-style-type: none"> • Tarpaulins must be used under the vehicle in all pit stop or service areas • Failure to observe this Article will incur a penalty as specified in Art 8.2.5 • It is highly recommended that all service crews carry as a minimum 1kg of oil absorbent material

4. Eligibility	
4.1 Acknowledgment	<ul style="list-style-type: none"> Is by issue of an Acceptance of Entry
4.2 Proof	<p>Crews are required on Acceptance of Entry:</p> <ul style="list-style-type: none"> To produce proof of vehicle's year of manufacture; or The year of manufacture of componentry of the vehicle (e.g. body, suspension, engine, transmission) To declare vehicle technical details including details of all modifications on the application form and any other documentation specified by the organiser If the modifications use a substitute material, then the type of substitute material shall be declared
4.3 Vehicle Body Parts	<ul style="list-style-type: none"> All body parts must be to original specification unless replaced for cost saving. A boot, bonnet or door may be substituted
4.4 Penalties	<ul style="list-style-type: none"> If a vehicle does not conform to the regulations or to the Vehicle Specification Sheet at any time during the event it may be penalised as provided for in the current MotorSport Manual, Book 1, App 1, Sch P, Art 5, A2A.2. or A2A.3.
4.5 Fuel	<p>The only fuels permitted to be used by any competition vehicle are those listed in the current MotorSport Manual, Book 1, App 2, Sch A, Art 3.9</p> <p>NB: Under Sch A, as from 01/07/2010 Leaded Racegas/Avgas ceased to be an approved fuel for competition use with the exception of vehicles manufactured prior to 01/01/1986 with a valid Certificate of Description</p>
4.6 Fitted Separate Device for Forced Induction	<ul style="list-style-type: none"> Includes superchargers and turbochargers The actual cylinder capacity will be multiplied by a factor of 1.7
4.7 Fitted Rotary Combustion (Wankel-type) Engine	<ul style="list-style-type: none"> Its cylinder capacity will be calculated by a multiplied factor of 1.8 times the volume Volume is determined by subtracting the minimum capacity of the working chamber/s from its/their maximum capacity This gives a piston displacement equivalent If supercharged or turbocharged the factors are multiplied e.g. Turbo Rotary will have a combined factor of $1.7 \times 1.8 = 3.06$
4.8 Competitions	<ul style="list-style-type: none"> All cars are grouped into one competition
4.9 Weight Penalties	<p>Weight penalties may be applied to</p> <ul style="list-style-type: none"> Vehicles not able to conform to the current Supplementary Regulations but previously entered in Targa events
4.10 4WD Turbo Restriction	<p>All 4WD over 1800cc forced induction-engined vehicles must have the intake comply with one of the following:</p> <ul style="list-style-type: none"> The current Motorsport Manual, Book 1, App 2, Sch A, Art 7.3 (1); or Vehicles competing in MotorSport NZ sanctioned national rally competition (NZRC) & FIA Group N Schedule = 33mm restrictor; or Vehicles in standard specification where the turbo is standard and the complete induction system is retained without additions or deletions and the exhaust system from the turbo through to the exhaust exit does not exceed the original diameter = no

	<p>restrictor; or</p> <ul style="list-style-type: none"> All other vehicles = 36mm restrictor All vehicles in Super GT categories for either competition including those that do not comply with the current MotorSport Manual, Book 1, App 2, Sch A, Art 7.3 (1)(a) and (b) (Turbo 4WD 1800cc = vehicles) may be required to fit data loggers or GPS tracking devices as supplied by the organiser In regards to turbo vehicles it is the crew's responsibility to have the factory information available during any technical checking. Refer also to the current MotorSport Manual, Book 1, App 2, Sch A, Art 7.3
4.11 Power to Weight	<p>At no time can a vehicle's power to weight ratio be less than:</p> <ul style="list-style-type: none"> 4.5 kg/kW when the vehicle weight (in kg) is divided by the flywheel brake horse power (in kW) An E1 "Vehicle Specifications" form must be completed when applying to enter
4.11.1 Minimum Weights	<p>All categories:</p> <ul style="list-style-type: none"> Production minimum weight +160 kg for crew If substantially modified or a low volume vehicle +100 kg (as determined by the organiser)
4.11.2 Crew's Responsibility	<ul style="list-style-type: none"> To provide proof of vehicle's production weight Production weight must be standard showroom, as available through a new vehicle dealership and NOT homologated FIA Race/Rally weight of limited run lightweight specials Organiser will determine weight to be applied (where necessary) by using www.carfolio.co./specifications/
4.11.3 Underweight Vehicles	<ul style="list-style-type: none"> If a vehicle is found to be underweight then it is the competitor's responsibility to add the required weight and safely secure it Failure to observe this Article will incur a penalty specified in Art 8.2.6 Extra ballast must be added in compliance with the current MotorSport Manual, Book 1, App 2, Sch A, Art 6.1
4.11.4 Dynamometer	<ul style="list-style-type: none"> The organiser reserves the right to have any vehicle put on a Dyno and the engine management systems checked by a specialist This can happen before, during or after the event at the competitor's expense
4.11.5 Penalties	<ul style="list-style-type: none"> Any crew who understates their vehicle's maximum power at the flywheel (in kW) will incur a penalty as specified in Art 8.2.7
4.12 Current Group A Homologated Vehicles	<ul style="list-style-type: none"> Not permitted
4.13 Tyres	<ul style="list-style-type: none"> Only Dunlop branded tyres may be used Use of any other brand of tyre requires written dispensation from the organiser and an application fee of \$500 Due to the nature of this event current MotorSport Manual, Book 1, App 1, Sch P, A2A.8. does not apply and is replaced by the penalty specified in Art 8.2.12

4.13.1 Standards Mark	<ul style="list-style-type: none"> All tyres must comply with a recognised (New Zealand Transport Agency) "standards mark" e.g.: JATMA-Japan, D.O.T-USA, ETRTO-European, NZS-New Zealand, ADR-Australia
4.13.2	<ul style="list-style-type: none"> Tyres must not have any original mouldings, marks or writing removed
4.13.3 Tyres Excluded	<p>Tyres must not carry the following words:</p> <ul style="list-style-type: none"> "For Racing Purposes Only" "For Competition Use Only" "Not For Highway Use" "Recommended for Racing Purposes Only" or any other wording that suggests tyre is for competition use The organiser reserves the right to exclude tyres outside the spirit of these regulations
4.13.4 Soft Compounded Tyres	<ul style="list-style-type: none"> Not permitted Crews are to apply to the organiser for compound clarification
4.13.5 Number of Tyres Permitted	<ul style="list-style-type: none"> Refer to Section 1, Art 6.1 <p>Failure to observe this Article will incur a penalty as specified in Art 8.2.13</p>

5.5 Protective Helmets and Clothing	<ul style="list-style-type: none"> Refer to the current MotorSport Manual, Book 1, App 2, Sch A, Articles 4.1 & 4.2 for National Status Rallies Must be worn by all competitors throughout the closed Targa special stages including Prologue It is a requirement that all Drivers wear fire retardant gloves Neck braces (such as HANS or wrap around collars) and window nets for the crew are also highly recommended N.B. Targa NZ has HANS available for use or lease. Please contact Mandy at the Targa office 09 2988322 Failure to observe this Article will incur a penalty specified in Articles 8.2.9-8.2.10
5.6 Fire Extinguishers	<ul style="list-style-type: none"> Refer to the current MotorSport Manual, Book 1, App 2, Sch A, Art 4.6 and/or FIA App J Art 253 Minimum requirement 2.0kgs dry powder ABC/ABE
5.7 Warning Triangles	<ul style="list-style-type: none"> All competing vehicles must carry at least one warning/safety triangle Refer to the current MotorSport Manual, Book 1, App 2, Sch A, Art 7.1 (3)
5.7.1 Stopping in a Targa Special Stage	<ul style="list-style-type: none"> If it is necessary to stop during a Targa special stage, the safety triangle must be displayed to provide sufficient warning for the following crews to slow down safely. A minimum of 50metres is recommended Failure to observe this Article will incur a penalty specified in the current MotorSport Manual, Book 1, Sch P, Art A3R.16. and Book 3, App 3, Sch R, Section1, Art 14.1
5.8 First Aid Kits	<ul style="list-style-type: none"> All competing vehicles shall carry a first aid kit Refer to the current MotorSport Manual, Book 1, App 2, Sch A, Art 7.1 (2) for a definition
5.9 Warning for Slippery Surface	<p>In each Route Book there is a yellow A4 card with red stripes:</p> <ul style="list-style-type: none"> To be used to warn following vehicles that the surface has been made slippery To be used in conjunction with the safety triangle

	<ul style="list-style-type: none"> Warning sign to be displayed at a point prior to the start of the slippery surface to give the following crews time to avoid it Failure to observe this article will incur a penalty specified in Art 8.2.11 Refer to the current MotorSport Manual, Book 3, App 3, Sch R, Section 1, Art 14.1 (b)
5.10 Silencer	<ul style="list-style-type: none"> Refer to the current MotorSport Manual, Book 1, App 2, Sch A, Arts 3.8 and 5.1 (6)

6. Signage / Advertising	
6.1 Non Targa Advertising	<ul style="list-style-type: none"> Advertising and other signs are permitted on vehicles provided the location of the signs does not conflict with these regulations (refer Art 6.5) Signs are to be of a high standard of presentation to ensure the interest of the organisers, sponsors and competitors are protected
6.2 Names of Crew	<ul style="list-style-type: none"> First and last names of Driver and Co-Driver must be located on both sides of the vehicle The name size to be no less than 40mm high in white and in a legible font (not script)
6.3 Organisers Signage	<ul style="list-style-type: none"> The organiser will supply event identification signage and compulsory event sponsor signage Must be attached to the vehicle and maintained in good order and condition throughout the event Where an apron or bonnet bib is used on the vehicle the signs must be placed on the apron or bib Replacement event signage must be affixed to any repairs before the vehicle is re-scrutineered Signage can be obtained from a CRO or the Secretariat at lunch Start / Finish of day
6.4 Removal of Signs	Removal of signage during the event will result in the penalty as provided for in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.2.

6.5 Placement

The livery, (the 6 sponsors signage) will be in one strip 750mm x 250mm which needs to cut into individual signs which each must not be less than 250mm x 100mm

1. Two MEGUIAR'S (replaces NARVA) signs 250mm wide by 100mm high, to be located on the foremost part of the front side panel on each side of the vehicle
2. Two HONDA signs 250mm wide by 100mm high, located on rear of the front side panel on each side of the vehicle
3. Two signs 250mm wide by 100mm high, to be located under number 2 on the rear of the front side panel on each side of the vehicle. Reserved for organisers use.
4. Two METALMAN signs 250mm wide by 100mm high, located on the middle of the front side panel on each side of the vehicle, above the wheel arch
5. Two TEAM TALK signs 250mm wide by 100mm high, under number 3, located on rear of the front side panel on each side of the vehicle
6. One DUNLOP TARGA NEW ZEALAND windscreen banner, 1112mm wide by 112mm deep to be located on the Top position of the front windscreen. (NB trim banner so no more than 100mm to be on the windscreen, LTSA requirement). If a windscreen is not fitted the forward position of the vehicle may be acceptable on application to the organiser. No other signage to be located in this area. N.B.: The classic competition will have a black background and the modern competition a white background. The supplied red numbers must be fitted to the top of the windscreen on the Co-driver's side.
7. Two DUNLOP TARGA NEW ZEALAND vehicle number signs 500 mm wide by 350 mm high which must be located on the foremost part of each front door, or in the case of vehicles without doors, to the side of the vehicle and adjacent to the location of the crew and the bonnet.
8. Two DASH signs 250mm wide by 100mm high, under number 5, located on rear of the front side panel on each side of the vehicle
9. Two NZ Classic Car signs, to be located under number 1, on the foremost part of the front side panel on each side of the vehicle
10. One Rock FM sign to be located on the centre front of the bonnet

NOTE: Other than Dunlop or Beaurepaires, there must be no other tyre company logo on the forward position of the vehicle, including the windscreen. Any other tyre company logo on any other position on the vehicle must not exceed 50mm x 100mm in size

Service Vehicles

One Targa NZ Service sticker is to go on all service vehicle's front windscreen together with the competition number for the vehicle they are servicing

6.6 Promotion and Use of Targa Logo	<ul style="list-style-type: none"> Is strictly prohibited on any merchandise and print material unless written permission has been obtained from Targa Promotions (NZ) Limited
6.6.1 Crew's Names and Photographs	<p>By entering the event all crews agree to the use of the following in publicity material issued by the organiser or event sponsors:</p> <ul style="list-style-type: none"> Names Photographs of crew and their vehicle Video footage
6.6.2 TV Usage	<ul style="list-style-type: none"> Unless authorised in writing by the organiser, any advertising by any means whatsoever of any television broadcasting company or station by a crew at this event is not permitted Exception - Targa Promotions (NZ) Limited and their agents
6.6.3 Official Results	<ul style="list-style-type: none"> Advertising, publicity and all other statements made by crews and their agencies referring to the results of the event must be in accordance with the official results announced by the organiser

<h2>7. Competition Management</h2>	
7.1 Competitors Relations Officers (CROs)	<p>CROs will be available:</p> <ul style="list-style-type: none"> 30 mins before the first vehicle leaves the overnight parc fermé Until 30 mins after provisional results are posted at the end of the day
7.2 Seeding	<ul style="list-style-type: none"> Seeding will be determined at Documentation in consultation with the Competitors The field will run slowest to fastest Re-seeding at the discretion of the COtC
7.3 Posting of Event Start Order and Times	<ul style="list-style-type: none"> Will be posted on the Official Notice Board located with the Secretariat at the start of documentation Refer to Section 1, Article 14 for location details
7.4 Rejoining	<p>Crews may rejoin the event at the start of any stage, service or lunch stop providing the following conditions are met:</p> <ul style="list-style-type: none"> They must report to and have their rejoin form signed by an ACOtC or Start Post Chief; or Advise a CRO of their intentions no later than one hour after the last vehicle is due to arrive into the final Control of the day on the day concerned; or If located at the overnight security park on the subsequent day, no later than 15 minutes prior to the first vehicle start time If required a new time card can be issued Crews can start within ten (10) places of their seeding order or at the end of the field without penalty. Refer to Art 7.14 If the withdrawal was a result of an impact accident or the crew has received a medical stand down due to an accident, the crew MUST obtain <u>MA2 Medical Clearance</u> to compete from an Event Medic located at start of stage or by contacting the Chief Medic If body, steering or brake damage has occurred it is the crew's responsibility to ensure the vehicle is checked by a Scrutineer

	<p>before restarting the competition</p> <p>Failure to observe this Article will incur a penalty specified in Art 8.2.16. Also refer to the current MotorSport Manual, Book 1, App 2, Sch A, 3.4 (8)</p> <p>Crews must keep a CRO informed of any change of intention at all times</p>
7.5 Withdrawals	<p>Should a crew wish to withdraw from the event, permanently or temporarily, it is the crew's responsibility to:</p> <ul style="list-style-type: none"> Advise the nearest Event Official in writing for transmission to the COtC of their intention regarding future participation in the event <p>For example:</p> <ul style="list-style-type: none"> Permanent withdrawal Withdrawal for the remainder of the day and intending to restart the next day Default times and penalties will then be allocated for each stage not started Withdrawals will not be accepted to circumvent leaving a vehicle in the overnight parc fermé/service stop areas Should this be suspected, penalties provided in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.14. may apply, until the vehicle is returned to parc fermé/service stop
7.5.1 Failure to Notify Organisers	<ul style="list-style-type: none"> For multi-day events, this will result in the organiser deeming that the crew has retired from the competition <p>That crew will then not be included in the starting order listed for the following day and will therefore be denied permission to continue in the competition</p>
7.5.2 Notification of Withdrawal Form	<ul style="list-style-type: none"> Is at the back of the Route Book Must be FULLY completed by the crew and given to an Event Official Failure to observe this Article will incur the penalty contained in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.22.
7.6 Default Times	<ul style="list-style-type: none"> If for any reason a stage cannot be completed, a default time will be issued to keep crews in the event. This is allocated by the COtC The 1st default time per day will be based upon the slowest stage time achieved in the competition, plus 15% Any subsequent default times received on the same day will be calculated as above plus an additional 2 minutes per default time This time may be altered by the COtC if this time is felt to be abnormal <p>Crews will be given a default time and applicable penalties for every stage(s) missed or not completed under the following conditions:</p> <ul style="list-style-type: none"> Failure to report to a Time Control Did not start (DNS) Did not finish (DNF) i.e. Did not cross the finish line before 999 Failure to observe this Article will incur the penalty contained in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.14.

7.7 Route Books	<ul style="list-style-type: none"> • Route instructions provide comprehensive details of the entire event • These will be prepared and issued to crews at Documentation. All distances will be expressed in kilometres, measured to the nearest 0.01 kms e.g. 23.75 kms
7.7.1 Reconnaissance/Pace Notes/Stage Notes/Safety Notes	<ul style="list-style-type: none"> • Strictly prohibited other than instructions issued by Targa Officials • Refer to the current MotorSport Manual, Book 3, Sch R, Sec 1, Arts 7.2 • Failure to observe this Article will incur a penalty as specified in Art 8.2.3
7.7.2 Additions in Route Book	<ul style="list-style-type: none"> • Only information supplied by the organiser is to be written in the Route Book
7.7.3 Directional Arrows	<ul style="list-style-type: none"> • Stages will have directional arrows • The exception is a motor race circuit where directional arrows may not be used
7.8 Time Cards	<ul style="list-style-type: none"> • The COtC, their Assistants or the CROs may require a crew's time card at any time • Should this be necessary then the crew will be advised by the designated official • Each crew is solely responsible for its time card and for any entries on the time card • Only Time Control and Event Officials are authorised to write on the time card. The exceptions are the places expressly provided for use by the crew • A Crew may not start a special stage without the correct time card
7.9 Touring Stages	<ul style="list-style-type: none"> • Touring stages are on open public roads • In compliance with the New Zealand Road Code • The crew's time taken to complete being expressed in full minutes
7.9.1 Towing	<ul style="list-style-type: none"> • Due to the length and spirit of this event the penalty provided in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.6. will not apply • Exceptions - A vehicle needing to be towed or trailered during a touring stage and /or if the competing vehicle has been temporarily withdrawn. • A penalty specified in Art 8.2.17 will be imposed
7.10 Targa Special Stages	<ul style="list-style-type: none"> • A Targa special stage is over closed roads with the crew's time taken to complete being expressed in minutes and seconds
7.10.1 Opposite Direction	<ul style="list-style-type: none"> • Under NO circumstances is a vehicle permitted to travel on a Targa Special Stage in a direction opposed to that prescribed in the route instruction • Failure to observe this Article will incur the penalty contained in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.18.
7.10.2 Stopped Targa Special Stage	<ul style="list-style-type: none"> • When a Targa special stage is definitively stopped before the passage of the last crew regardless of the reason, a classification for that stage may be established by the COtC by

	<p>giving an “assessed time”</p> <ul style="list-style-type: none"> Any crew responsible or partly responsible for causing the stage to be stopped will not, under any circumstances, have an “assessed time” given to it <p>N.B. Derogation has been approved by MotorSport NZ from the current MotorSport Manual, Book 3, App 3, Sch R, Section 2, Art 6.2 (a) & (c) to read “fastest time” instead of “slowest time”</p> <ul style="list-style-type: none"> The organiser reserves the right not to assign any times to a crew
7.10.3 Crews Running Late	<ul style="list-style-type: none"> Any crew arriving at a Control after it has closed will not be permitted a start and a default time will be issued Start Control will close 2 minutes after the entry of the last competing vehicle and 999 enters the stage Book 3, App 3, Sch R, Section 1, Art 12.1 (f) will apply.
7.10.4 Controls	<ul style="list-style-type: none"> Crews can be accepted for checking in at a Control prior to their due report time if invited to do so by a Targa Official No penalty applies in this instance Crews are also permitted to check in early at the “End of Day” Control
7.11 Co-Drivers	<ul style="list-style-type: none"> Co-drivers are not required to leave their vehicle to report to a Time Control Start or Finish-unless expressly asked to do so An Official will come to the crew’s vehicle
7.11.1 Assessed Times	<ul style="list-style-type: none"> If a crew does not participate in or complete a Targa special stage through circumstances not caused by the actions of that crew, an “assessed time” can be applied for through the CRO Calculated using available data from relative performance on other Targa special stages
7.12 Start of Day Control	<p>Crews must report to the Out Control located within the overnight parc fermé or the start of the event:</p> <ul style="list-style-type: none"> No later than 10 minutes prior to their scheduled time of departure Crews will leave the start at their assigned time Failure to do so will incur a penalty as specified in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.14.
7.13 End of Day Control and Parc Fermé	<ul style="list-style-type: none"> This Control will close 30 minutes after the due reporting time of the last competing vehicle Failure to report to the Final Control for the day before it closes will be regarded as reporting late and will be penalised as provided for in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.14. Crews must complete a Withdrawal Form as per Art 7.5 Failure to do so will incur a penalty as specified in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.22.
7.13.1 Removal of Vehicle from Parc Fermé	<ul style="list-style-type: none"> For Targa multi-day events, removal from an overnight parc fermé/service stop area may occur with written permission from the COtC/Chief Scrutineer or his/her appointed delegate e.g. CRO Failure to observe this Article will incur a penalty as specified in

	Art 8.2.18		
7.14 Late Arrival at any Start Control	<ul style="list-style-type: none"> Crews will only be penalised if more than ten (10) start positions off their due report time. Outside this time the current MotorSport Manual, Book 1, App 1, Sch P, A3R.14.will apply <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; padding: 5px;"> <p>Example 1: Day 2 start control (30sec start order) Vehicle "X" due to start in order 27 Actual start order 36 9 start orders late (4 minutes, 30 seconds late) No Penalty</p> </td> <td style="width: 50%; padding: 5px;"> <p>Example 2: SS23 Start (30sec start order) Vehicle " X" due to start in order 27 Actual start order 40 13 start orders late (6 minutes, 30 seconds late) 10 sec penalty per minute or part late</p> </td> </tr> </table>	<p>Example 1: Day 2 start control (30sec start order) Vehicle "X" due to start in order 27 Actual start order 36 9 start orders late (4 minutes, 30 seconds late) No Penalty</p>	<p>Example 2: SS23 Start (30sec start order) Vehicle " X" due to start in order 27 Actual start order 40 13 start orders late (6 minutes, 30 seconds late) 10 sec penalty per minute or part late</p>
<p>Example 1: Day 2 start control (30sec start order) Vehicle "X" due to start in order 27 Actual start order 36 9 start orders late (4 minutes, 30 seconds late) No Penalty</p>	<p>Example 2: SS23 Start (30sec start order) Vehicle " X" due to start in order 27 Actual start order 40 13 start orders late (6 minutes, 30 seconds late) 10 sec penalty per minute or part late</p>		
7.14.1	<ul style="list-style-type: none"> Notwithstanding the above, crews continually dropping down the start order may not be allowed to start a Targa special stage due to safety considerations Refer to Art 7.14 		
7.15 Passage Control	<ul style="list-style-type: none"> Is a Control located between Time Controls to verify the passage of vehicles All vehicles, and if directed their service vehicles, must stop at a Passage Control From time to time there will be a \$2.00 fee to be paid to raise funds for a local cause Failure to observe this Article will incur a penalty as specified in Art 8.2.19 		
7.15.1 Car Wash	<ul style="list-style-type: none"> Prior to the End of Day Control there may be a compulsory car wash Cost will be \$5.00 which will go directly to a local cause All crews to have gold coins with them at all times 		
7.16 Support/ Service Crews	<ul style="list-style-type: none"> Crews may have the support of a number of service crews Service crews must be registered with the organiser One service vehicle is included in the entry fee A registration fee of \$50 applies to each additional service vehicle Refer to the current MotorSport Manual, Book 3, App 3, Sch R, Section 1, Art 6.2 		
7.16.1 Designated Service Areas	<ul style="list-style-type: none"> Designated service areas are shown in the competitors' Route Book and/or the Service Crew Book There must be no servicing outside the designated service areas Service vehicles are not permitted to be parked in proximity to the Targa route unless specifically permitted in the competitors' Route Book and/or the Service Crews Book Refuelling on service station forecourts is not deemed to be 		

	<p>servicing in a prohibited area</p> <ul style="list-style-type: none"> • Failure to observe this Article will incur the penalty contained in the current MotorSport Manual, Book 1, App 1, Sch P, A3R.8. • Refer also to the current MotorSport Manual, Book 3, App 3, Sch R, Section 1, Art 6.3
7.16.2 Service Vehicles	<ul style="list-style-type: none"> • Must securely attach and display the “Targa Service” sign with competing crew’s competition number on front windscreen • Only service crews displaying a legible “Targa Service” sign will be allowed access to service parks /service stop areas
7.17 Towing of Trailers	<ul style="list-style-type: none"> • Is permitted by service crews during the event, however • Only the KEA Shuttle pod trailer is allowed in the following areas - ALL other trailers are prohibited from the proximity of closed Targa Special Stages, services parks/service stops/motor shows. • Failure to observe this Article will incur the penalty as specified in Art 8.2.20
7.18 Driving Behaviour	
7.18.1 Cutting Corners / Debris into Stage	<ul style="list-style-type: none"> • Not permitted. Failure to observe this Article will incur the penalty as specified in Art 8.2.21
7.18.2 Damage to Chicanes or Cones	<ul style="list-style-type: none"> • Not permitted. Failure to observe this Article will incur the penalty as specified in Art 8.2.22 • The cost of the damage to a chicane or cone will also be claimed back from the crew
7.18.3 Traffic Offences	<ul style="list-style-type: none"> • At all times, except in Targa special stages, New Zealand traffic laws will apply • Any crew receiving a traffic offence notice shall be subject to the penalty as contained in the current MotorSport Manual, Book 3, App 3, Sch R, Sec 1, Art 6.1 (b) & current MotorSport Manual, Book 1, App 1, Sch P, A3R.4.
7.18.4 Accidents	<ul style="list-style-type: none"> • Any crew who has repeat accidents during the event may be excluded from the event at the discretion of the COtC • Penalties for repeat accidents are outlined in Art 8.2.23
7.18.5 Speed	<p style="text-align: center;">Maximum speed in closed Targa special stages is 200 kph</p> <ul style="list-style-type: none"> • Failure to observe this Article will incur the penalty as specified in Art 8.2.24 • All vehicles that do not comply with the current MotorSport Manual, Book 1, App 2, Sch A, Art 7.3(1)(a) & (b) (Turbo 4WD 1800cc+ vehicles) will be required to fit data loggers or GPS tracking devices supplied by Targa • Other vehicles may be instructed to fit the units at the organiser’s discretion • Failure to fit the devices, or tampering with them, will result in penalties as outlined in Art 8.2.28 • It will be the crew’s responsibility to fit the wiring looms and aerials for the devices • Vehicle speed may be determined by direct measurement by

	<p>radar gun and/or;</p> <ul style="list-style-type: none"> • Calculated from the time taken to travel between to fixed points or between two points recorded by a data logger or GPS tracking device
7.18.6 Overtaking	<ul style="list-style-type: none"> • Will be done on the right of the vehicle being passed • Initiated by the overtaking driver by flashing their headlights • The vehicle being overtaken must then pull to the left and yield as soon as possible • At a motor race circuit passing may take place on either side – if it is safe to do so • Failure to observe this Article will incur the penalty as specified in Art 8.2.25
7.18.7 Baulking	<ul style="list-style-type: none"> • If a vehicle is caught during a Targa special stage they must pull over to the left and let the faster vehicle pass as soon as it is safe to do so • Failure to observe this Article will incur the penalty as specified in Art 8.2.26
7.18.8 Failure to Comply with Briefings	<p>A competitor or service crew must comply with any of the following:</p> <ul style="list-style-type: none"> • Verbal drivers' briefing • Service crew briefings • Written briefings (as in official competitor Route Books and/or Service Crew Books, Service Descriptions or any official paperwork) • Failure to observe this Article the competitor will incur the penalty as specified in Art 8.2.27
7.19 Post-event Scrutineering	<ul style="list-style-type: none"> • On reaching the Final Control, vehicles may be impounded under parc fermé or security parking conditions for up to three (3) hours after the last vehicle reaches the Final Control • Release of vehicles is governed by the current MotorSport Manual, Book 1, NSC, Art 60 (5)
7.20 Wrist Bands	<ul style="list-style-type: none"> • Colour coded wrist bands will be issued to all crew and must be worn at all times for the duration of the event.
